

HEARTS AROUND HARTZ

SMALL TOWN, BIG HEARTS

HEART #1

ARTIST: SARAH LEE

Artist's Inspiration:

"This heart piece was based on happiness and wellness. I wanted the viewer to feel calm, peace, love, and warmth from the brightness of this painting. I chose hummingbirds for its brilliant colors and because they symbolize joy, playfulness, and bringers of love. The peach symbolizes longevity and my wish for all your happiness and wellness to be everlasting."
